• Benefits

Made from 100% organic fibres. The packaging is also made from 100% bio-based material. No plastic included! Impregnation is 100% plant-based.

• Impregnation

Excellent, full-surface impregnation. 100% plant-based.

• Properties

Effective dust binding cloth for picking up dust and dirt. Thick quality with open structure. Absorbs some moisture due to the viscose. Strong and robust fabric.
