Magic Stick Cleaning Stone

The Magic Stick makes stubborn stains disappear. The pumice cleaning stone removes limescale, rust, stains and colours from porcelain, ceramics, concrete, masonry and iron.

Cleans toilet dirt rings in seconds. Dissolves water, stains, rust and mineral deposits in urinals, wash-basins, bathtubs, showers and sanitary facilities. Removes graffiti and paint from tiles, concrete and stone walls. Removes burnt-on food and grease as well as soot deposits in ovens, on grill grates and iron pans.

Sito Magic Stick works where other cleaning agents no longer achieve the desired results.
