seit 1956

... so geht sauber!

PROFESSIONAL PRODUCTS.

EXCELLENT QUALITY.

HORECA | RETAIL

PRIVATE LABEL

Sito's own brand is an attractive alternative to the Sito Professional-Line. Comparable quality at a favourable price. Our private-label products stand for quality and performance, tailored to the needs of the market.

Some of our own brand products are also certified to OEKO-TEX Standard 100 and are primarily manufactured in the EU.
The presentation of the articles is both simple and contemporary, labelled in several languages and therefore also internationally practicable.
